To—the Secretary to the Board, Revenue Settlement.

No.—D. Dis. 69 Pol.

I have the honour to forward herewith the Famine Programme of the Sandūr State for the year 1920-21 in forms A and B, and an abstract in form C. Two new works have been included.

Resolution—No. 60, dated 7th May 1920.

In the programme of famine-relief works forwarded by the Political Agent for Sandūr for 1920-21, provision is made for 594,880 units, which represent employment for 20 per cent of the total population for 7·3 months.

2. There are no unsanctioned works either in the public works or village works programme and the sanctioned works consist mainly of road works. An abstract of the programme showing the number of units for which provision is made under 'public' and 'village' works is appended to these proceedings.

3. The Political Agent has certified that the programme is in such a condition as to allow of the opening of test or relief-works immediately, should necessity arise and that all the sanctioned estimates have been brought up to date.

4. A copy of the review is submitted to Government, Revenue Department, with reference to rule III of the rules appended to G.O. No. 441, Revenue, dated 12th February 1913.
